**RE: Hanes v. Apple Chevrolet, et al**  
1:CV-00-2003

Dear Judge Rambo:

This letter is written in an effort to comply with your June 27, 2002 order. Plaintiff does not require additional depositions of Mark Green, Lionel Weathers, Dimitrios Tomboris, or Steve Jones.

However, with the Court's approval, Plaintiff requests to supplement his supporting documents and exhibits to "Plaintiff's Response to Defendants' Motion for Summary Judgement" and his "Statement of Material Facts" with the depositions of the above-named persons. Plaintiff did not previously attach such documents, as he did not want to risk waiving his objection to Defendants' conduct of said depositions on April 4, 2002.

Sincerely,

  
Sandra Thompson, Esquire  
Attorney for Plaintiff
